

NEWSLETTER SECOND QUARTER 2006

This has become a banner year for 42 domino tournaments. There were 8 tournaments played in the 1st quarter of 2006, 10 scheduled for the 2nd quarter and many more for the remainder of the year. Members of the National 42 Players Association should be proud of N42PA for fostering the game of 42 and for being the primary driving force for the establishment of many more domino tournaments in our area. Members should also be comfortable knowing that all sanctioned tournaments are being played using the same basic rules as set up by N42PA. There are now enough tournaments to satisfy everyone's appetite for the game of 42. Please help your association by recruiting new members so we continue growing and promoting the game. Have fun playing and may you win every "trick." Be sure to look for our new members at the next tourney and tell them hello.

N42PA needs YOU!

Success depends on your involvement. Consider how you can make this association continue. Your ideas and time are critically important to the Board of Directors. Would you consider serving on the Board? See the section in this newsletter about the election process. You must submit information prior to September 1st. Let us have MANY who are willing to give of themselves for the benefit of all.

Outstanding Tournaments

Another Pro Invitational behind us along with several open tourneys throughout the state. The quality of the tourneys is GREAT! This is in part due to a standardized set of rules from N42PA. Our association is making a positive difference. Many, many tournament directors have thanked us for being available to help in a variety of ways and answer their questions. As well as post their tournaments on the N42PA website which has greatly increased tournament attendance. Check the tournament schedule often to show off your skills by playing in one soon!!!

Your participation will earn points towards the Pro Status so you too can play in the upcoming Third Quarter Pro Invitational August 26th in Madisonville, TX. We will have challenging games with the best players around and a "Picnic in the Park" fried chicken lunch. All the trimmings with a Sundae Bar will be enjoyed by everyone. And of course it never hurts to take home the money and trophies.

Sponsors make it possible to provide increased awards and lunch. If you know of anyone that would like to participate in our sponsor program let me know. WE NEED THEM!!! Please call me @ 905-545-1234 or email president@n42pa.com. Immediately we need a sponsor for lunch for the August Pro Invitational.

Houston we are on our way...

July 22nd St Jerome's N42PA Open Tournament Fundraiser

Let's make this one of the best attended tournaments for the year. We have worked with a member of 42-Online to set up this Houston location. Our many thanks to Nick Carter for his support. Without Nick this tourney would not be happening! A portion of each entry fee will be donated to St. Jerome's with the remainder of funds used within N42PA. This is the only fundraiser we are having this year...please give your support to the south Texas area and the N42PA. Also, if you have any items to donate to the raffle please contact me ASAP!

Voting in 2006

There are three (3) Board positions up for election this year:

President

Information Technology Director

Pro Tournament Director

The term for each position is two (2) years during 2007 - 2008. Any member desiring to run for one of these positions must contact any board member or e-mail the N42PA website before September 1, 2006. The duties for each position are listed in the association bylaws on the website www.n42pa.com. If you plan to run it would be helpful for you to submit a brief biographical summary to be included in the 3rd quarter newsletter. This is so each member will better know you.

September 1, 2006 will also be the last date for any member to submit any proposed amendments to the Constitution and Bylaws of N42PA to the Board of Directors for consideration to be put on the ballot for this year.
