Meet the New Board Members

Open Tournament Director: Jerry Whitney

I learned to play 42 from my Mother and Father some 45 years ago as a youngster. Played mostly at work during breaks. I was president of the Du Pont Employee Recreation Associate for about 25 years. About 1990, the rec. club was doing a Bar BQ Cook-off every year and they wanted to have a 42 tournament. So I purchased the dominoes and hosted a tournament at the cook-off. Then we moved from Pasadena, Texas to Hardin, Texas in 1996 and I found that they had local 42 tournaments all around the area. I met a friend at church who liked to play and we teamed up and started going to the all the local tourneys. We found that we were pretty good and won several tournaments every year. Then in 2005 I retired from Du Pont and retained the dominoes from the tournaments and started using them to put on local tournaments at various fund raising festivals around the area. Then I got introduced to MyLeague.com and began playing tourney's online. I then discovered that Hallettsville had a State Championship tourney and that is how I discovered 42 online and joined them. I went to a 42 online tourney in Houston, and then attended one in Cleveland, won my first one in Sept 2007. At that time I joined the 42IPA at the request of Nick Carter. I continued to play tournaments in my area, till we decided to move to New Mexico to be near daughter and grandchildren. After moving, found that they had a Clovis, NM league with 50 teams. Joined up with them and played through their season. (Dec. thru Feb). Then got the chance to go to Hallettsville for the Texas State championship. While there, signed up with N42PA and became the Open Tournament Director. Once I got back to New Mexico, I decided that New Mexico needed a state championship. So I went to work to get it going.

Secretary: Nick Carter

Nick comes to the Board with a wealth of knowledge. He currently serves, as President of a 120 person Bowling League, on the Board of Directors of Holy Name Retreat Center, is a Tournament Director for 42-Online, serves in various roles at his church and was a founding member of 42IPA. He has also served as Post Commander, District Adjutant and Texas State Director for Voice of Democracy in the Veterans of Foreign Wars, Has been elected and served as President of Parish Council for St Jerome Catholic Church (a 6000 family church) and has been a Board Member of the National Association of Parliamentarians. Nick has played live domino's with a group of 8 couples for the last 20 years and has been seen on Wed. evening in Willis playing with a group that draws random partners every week. Nick states, "After a thorough examination of the By-laws and listening to fellow 42 players, it is time we stop the disruption that has been aimed at the game of 42. We need to pull together for the good of the game and all of the
