National 42 Players Association

Membership Renewal

2008 DUES

Membership Dues for the 2009 season of the National 42 Players Association are now due. Please print out this form and send it in with your check for \$30 by January 31, in order to earn points for January tournaments and/or retain your Pro Level Point status from 2008.

Thanks for helping make the forth year of the association a success! Now, let's keep it going and growing as we enter year five. There will be more tournaments and points in 2009, as well as more members, so the opportunities and competition will be terrific. Be sure to refer to the latest newsletter you just received to see all the tournaments just on the horizon. Don't let your membership lapse, to make sure you have a leg up on the newcomers.

Players who do not renew by January 31 will not receive points for any sanctioned tournaments participated in from January 1-31. 2009 Pro level members who do not renew by January 31 will forfeit their Pro status, and must earn at least 12 points after their 2009 dues are received to achieve Pro status again.

Benefits to being a member of the National 42 Players Association:

1. Official point system rewarding frequent competition and excellent tournament play
2. Great website for learning about 42 and upcoming tournaments around the state
(Info, entry forms and results)
3. Member-only tournaments throughout the year
4. Worldwide recognition of your 42-playing prowess through the Pro level achievement in points
6. Regular newsletter with up-to-date info on association and tournaments
7. Great camaraderie with some of the best 42 players in the world

A note from the President

It has come to my attention that some people want N42PA to make many changes in the Constitution and By-Laws before they would consider joining us. (You don't put the cart in front of the horse.) During the past 55 years I have joined several organizations. All of them had Constitution and By-Laws already in place. Every year these organizations elect officers, and give members an opportunity to amend the Constitution and By-Laws if there is something they wanted to change. N42PA does the same thing. I believe that every member should have the right to present an amendment to the membership for consideration. Therefore, I have submitted an amendment concerning ARTICLE XI, Section I whereby (4) four members of the Board of Directors could prevent any amendment from ever being places on the ballot for you to vote on. If passed, this will assure that this is a member-oriented organization. We sanction other tournaments for our members to participate in and acquire "Pro Points". We have quarterly Pro Invitational tournaments for our members, but we had only one OPEN live tournament where anyone who enjoys playing "42" could compete. I would Like for us to sponsor at least 2 or 3 tournaments next year that are open to anyone who plays "42", since our objective is to promote and enlarge participation in this game. If you have a favorite location in mind, please advise me so I can pass that information on to the Open Tournament Director. By majority vote of the Board of Directors elected me to fulfill an unexpired term. I am now running for election to a 2-year term as your President. If there is anything I should have done in the Past, or can do in the future, to promote "42" - Please advise me. Your support will be appreciated. Arlen Leeder
